Strangers in the night

C. Singleton - E. Snider - B. Kaempfert

Strangers In The Night exchanging glances wondering in the night what were the chances

we'd be sharing love before the night was through.

Something in your eyes was so inviting, something in your smile was so exciting,

something in my heart, told me I must have you.

Strangers In The night, two lonely people we were Strangers in the night

up to the moment when we said our first hello. Little did we know

love was just a glance away, a warm embracing dance away and ever since that night

we've been together. Lovers at first sight, in love forever. It turned out so right,

for Strangers in the night.
